## Capabilities Statement

---

All Around Moving & Storage Inc. was established in 1984 in Romulus, Michigan. Our staff prides themselves on the excellent service they provide to our customers from their initial contact to the last box off the truck. Our move teams are dedicated to putting the needs of their customers first along with integrity and the respect they deserve. All Around Moving Inc. is committed to making each relocation a stress-free experience with above-quality services and exceptional value.

All Around Moving Inc. has been providing moving and storage services to our military families since 2012. Specialty crews provide complete packing and crating services. Our drivers and loading teams have experienced thousands of government relocations and take great care of their personal household goods. We have the warehousing expertise to prep and prepare crated shipments for storage, cross-country, and international shipping.

We pledge to handle every relocation, no matter how large or small with the courtesy and care every customer deserves.
